

# ALMADEN COUNTRY DAY SCHOOL

## ANNUAL GIVING CAMPAIGN

Supporting every student, every teacher, every day.

### ANNUAL GIVING HELPS CLOSE THE TUITION GAP

Every year, there is a variance (or gap) between what families pay in tuition per child and the actual cost in educating each ACDS student. The Annual Giving Campaign is the largest and most important fundraising effort that helps bridge the tuition gap.

### WHERE DOES YOUR MONEY GO?

**Curriculum and Programs**

**Educational Technology**

**Professional Development**

**Salaries and Benefits**

Funds raised during the Annual Giving Campaign help resource ACDS's highest priorities needed to support outstanding educational and enrichment programs and employ the quality teachers and staff who create the nurturing educational experience our children love.

All donations are put to use immediately and throughout the academic year.

### WHY GIVE?

**Supports**  
ACDS's highest priorities

**Expands**  
opportunities for student growth

**Transforms**  
students' lives

Each member of the ACDS community is a stakeholder. As a community, we are relying upon each other and your tax-deductible contributions to meet ACDS's budget and deliver the best possible education to our students each year.

Moreover, your AGC gift helps ACDS give students a mission-skills focused and enriching education that fosters teamwork-driven leaders, creative and curious innovators and resilient young people.

### GIVE TODAY

#### Giving Levels

Suggested gift per student—\$1,057

Leadership Levels

**Imagine** \$2,000–\$2,499
